reinforced
bottom rail

All vinyl fences are not created equal. CertainTeed Selects stands out from the competition with premium features found on professionally installed fence products. Don't be fooled by imitators — take a closer look at what sets CertainTeed apart.

Innovative styles, colors and textures
• Exclusive CertaGrain® authentic woodgrain texture
• Sierra Blend color recreates the natural beauty of stained cedar
• ColorLast™ dark color fade protection for superior protection from the sun

Steel reinforced bottom rail
• Engineered for outstanding strength and durability
• Reinforced with steel for a stronger, more rigid fence
• Reduced risk of sagging or bowing

Preassembled 8' fence sections
• Less material and fewer posts than other fence products
• Large 8' sections save on time, material and installation

Tongue & groove picket connection
• CertainTeed Selects is a true privacy fence
• Pickets insert into a molded channel – not glued in place

Distinctive Classic Curve deco rail design
• Larger 1-1/2" x 5-1/2" rail with the look of fine woodworking
• Delivers distinctive styling only available from CertainTeed

Outstanding warranty protection
• Exceptional lifetime limited transferable warranty coverage
• Exclusive SureStart™ protection, which covers warrantied repair and replacement costs — including labor — for the first five years after installation
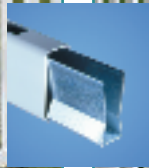

Manufactured by CertainTeed
• CertainTeed Selects are manufactured by CertainTeed, one of the nation's largest and most respected building products manufacturers
• CertainTeed has been a trusted name in building products for more than a century
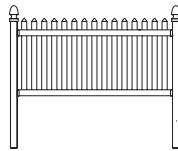

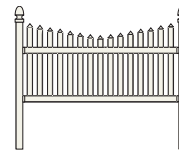

Bracketed Systems

Newbury

- Size: 4' high x 8' wide
- Color: White
- Pickets: 7/8" x 3" thru-picket "good neighbor" design
- Picket Spacing: 2-15/16"

Scalloped Newbury

- Size: 4' to 3-1/2' high x 8' wide
- Color: White
- Pickets: 7/8" x 3" thru-picket "good neighbor" design
- Picket Spacing: 2-15/16"

Brookhaven

- Size: 6' high x 8' wide
- Color: White
- Pickets: 5/8" x 11-3/8" tongue & groove

Brookhaven with Lattice

- Size: 6' high x 8' wide
- Color: White
- Pickets: 5/8" x 11-3/8" tongue & groove

Brookhaven bracketed fence styles are not recommended for areas where wind speeds exceed 60 mph. For high wind applications, the routed privacy system is recommended.

Features & Benefits

- Thru-pickets slide into routed rail – no screws or rivets
- **Preassembled sections reduce installation time**
- 11-3/8" tongue & groove pickets – wider pickets equals less installation time; tongue & groove feature eliminates section bracing
- **Larger 8' sections – require less labor and fewer posts than other fence products, providing a clean, continuous look**
- Panel mounting brackets – easy to install and provide installers flexibility for field applications
- Pre-formed channel rails make privacy assembly a snap
- Convenient section packs – assembled or unassembled
- Few parts and pieces – mounting brackets and blank posts eliminate complex parts list
- Simply choose your fence style, post and gate
- **Steel reinforced bottom rail eliminates sagging**
- Service 80% of your customers' needs with top sellers and provide a full range of fence products with our custom order program
- **"Good neighbor" design – attractive appearance on both sides of fence**
- Tongue & groove picket design on privacy styles
- Distinctive deco rail delivers the look of crown molding
- Matching gates available
- **Brookhaven brackets available in both vinyl and aluminum (aluminum brackets recommended for areas with extreme temperature variations)**

Parts List

Newbury 4' x 8' white
skus:
E20349	Pre-Assembled Section
E20351	OR Unassembled Section
E649575	Blank 4" x 4" x 75" Post
E60504	Bracket Pack
E262509	Pre-Assembled Gate
E70409	Gothic Post Cap

Scalloped Newbury 4' x 8' white
skus:
E20348	Pre-Assembled Section
E20350	OR Unassembled Section
E649575	Blank 4" x 4" x 75" Post
E60504	Bracket Pack
E262510	Pre-Assembled Gate
E70409	Gothic Post Cap

Brookhaven 6' x 8' white
skus:
|	
E218004	Pre-Assembled Section
E218007	OR Unassembled Section
E5395096	Blank 5" x 5" x 96" Post
E60503	Bracket Pack
E60506	OR Aluminum Bracket Pack
E656038	Pre-Assembled Gate
E70416	Gothic Post Cap
E70418	OR Flat Cap - External

Brookhaven with Lattice 6' x 8' white
skus:
E218005	Pre-Assembled Section
E218008	OR Unassembled Section
E5395096	Blank 5" x 5" x 96" Post
E60505	Bracket Pack
E60507	OR Aluminum Bracket Pack
E656043	Pre-Assembled Gate
E70416	Gothic Post Cap
E70418	OR Flat Cap - External

Pre-assembled gates include 2 uprights, self-closing hinges, latch, brace and hardware.

EXAMPLE

This sample layout shows the bracketed system

B 72'
A 40' 40' C
gate
House
14' 12'
E D

Scale: 1 square = 4 feet

To determine the materials you will need:

1. Select a fence style.
2. Decide pre-assembled or unassembled.
3. Diagram your fence plan and include measurements.
4. List measurements (in feet) and divide each by 8 feet (round up to nearest whole number).

   Side A: 40ft. ÷ 8 = 5
   Side B: 72ft. ÷ 8 = 9
   Side C: 40ft. ÷ 8 = 5
   Side D: 12ft. ÷ 8 = 1.50 (2)
   Side E: 14ft. ÷ 8 = 1.75 (2)

5. Total all sides. This total equals number of fence sections and bracket packs needed.

   Side A: 5
   Side B: 9
   Side C: 5
   Side D: 2
   Side E: 2

   Total: 23 sections
              23 bracket packs

6. Note total number of gates needed. Multiply by 2 for number of posts.

   1 Gate x 2   = 2 gate posts
                = 1 gate

7. Add 1 to the total number of fence sections needed. Add number of gate posts needed. This is the total number of blank posts and post caps needed.

   23 fence sections   23 fence sections
   + 1   + 1
   + 2 gate posts   + 2 gate posts
   26 blank posts   26 post caps

8. Create material list referencing Parts List to the left.

	Qty	Parts List
fence sections	23	E20349
bracket packs	23	E60504
blank posts	26	E649575
post caps	26	E70409
gate	1	E262509

Scale: 1 square = 4 feet

Your fence:

1. Select a fence style.

2. Decide pre-assembled or unassembled.

3. Diagram your fence plan and include measurements.

4. List measurements (in feet) and divide each by 8 feet (for Newport, divide by 6) and round up to nearest whole number.

   Side A: _____ ÷ 8 = _____
   Side B: _____ ÷ 8 = _____
   Side C: _____ ÷ 8 = _____
   Side D: _____ ÷ 8 = _____
   Side E: _____ ÷ 8 = _____

5. Total all sides. This total equals number of fence sections and bracket packs needed.

   Side A: _____
   Side B: _____
   Side C: _____
   Side D: _____
   Side E: _____

   Total: _____ sections
   _____ bracket packs

   (brackets are not required for routed system rails)

6. Note total number of gates needed. Multiply by 2 for number of posts.

   _____ Gate(s) x _____ = _____ gate posts
   = _____ gate

7a. Add 1 to the total number of fence sections needed. Add number of gate posts needed. This is the total number of blank posts and post caps needed.

   _____ fence sections
   + 1
   + _____ gate posts
   _____ blank posts

   _____ fence sections
   + 1
   + _____ gate posts
   _____ post caps

7b. Determine routed posts based on your fence layout.

8. Create material list.

END/GATE POST

LINE POST

CORNER POST

For use in step 8 to determine post configuration in routed systems.

Arlington Smooth

- Sizes: 5' & 6' high x 8' wide
- Colors: White, Almond (shown)
- Pickets: 7/8" x 7" tongue & groove

Arlington with Lattice

- Sizes: 6' high x 8' wide
- Colors: White, Almond
- Pickets: 7/8" x 7" tongue & groove

Arlington with CertaGrain® texture

- Sizes: 5' & 6' high x 8' wide
- Color: Sierra Blend
- Pickets: 7/8" x 7" tongue & groove

Newport

- Sizes: 3' & 4' high x 6' wide
- Color: White
- Pickets: 7/8" x 3" pointed
- Picket Spacing: 2-7/16"

Scalloped Newport

- Sizes: 3', 4' & 5' high x 6' wide
- Color: White
- Pickets: 7/8" x 3" pointed
- Picket Spacing: 2-7/16"

Bel Air

- Sizes: 4', 5' & 6' high x 8' wide
  (5' & 6' height include midrail)
- Colors: White, Almond
- Pickets: 7/8" x 3"
- Picket Spacing: 7/16"

Wilshire

- Sizes: 3', 4', 5' & 6' high x 8' wide
  (5' & 6' height include midrail)
- Colors: White, Almond
- Pickets: 7/8" x 1-1/2"
- Picket Spacing: 3-5/8"

Features & Benefits

Privacy channeled rails
- Fence section can be racked to follow the slope of the terrain
- Ensures a safe, secure picket attachment with no glue or screws

Routed fence post
- Superior aesthetics
- More secure connection allows for thermal expansion season after season

Routed rails
- Fence section can be racked to follow the slope of the terrain
- Precision routed for a clean, professional finish
- Ensures a safe, secure picket attachment

Heavyweight pickets
- Provide superior impact strength, resist warping and oil canning of flat panel fence
- Offering includes both profile and tongue & groove designs

Steel reinforced bottom rail
- Eliminates sagging and bowing for a stronger fence
- Hour-glass design grips the end pickets to add stiffness

Post & Rail Smooth

- Sizes: 2 rail, 3 rail & 4 rail
- Colors: White, Almond

Post & Rail with CertaGrain® texture

- Sizes: 2 rail, 3 rail & 4 rail
- Color: White

Features & Benefits

CertainTeed's Post & Rail fencing provides a safe, reliable enclosure for horses and other livestock. Available with CertaGrain® texture, our post & rail fence offers the authentic look of painted wood fencing with the durability, low maintenance and proven performance of CertainTeed's premium vinyl design.

- Available in two finishes: CertaGrain and Smooth
- Safe and durable horse enclosure
- Economical and virtually maintenance free
- Made in the U.S.A.

Rails come in 1-1/2" x 5-1/2" size and 8' and 16' lengths, 8' section width

CertaGrain texture only offered on 1-1/2" x 5-1/2" (Post & Rail styles - White only)

Smooth finish offered on 1-1/2" x 5-1/2" (Post & Rail styles - White and Almond colors)
